# THE COUSHATTA

INTRODUCING . . . TOMMY HAWK

For the first time in the history of The Coughatta the staff would like to introduce Tommy Hawk.

Tommy will be the symbol of school life of this 1956 edition of The Coughatta.

As you turn the pages of this yearbook, you will get to know Tommy better. He will guide you through the various activities of the school.

Tommy invites you to enjoy each page and relive the fun, fellowship, and achievements, that made up this year at Bonham High School.

This book is far from perfection, but if it affords you some pleasure and happy memories, we will have accomplished our purpose . . .

# BONHAM PURPLE WARRIORS

## 13-AA DISTRICT CHAMPIONS

The Bonham Warriors lived up to their name this year as they galloped through football season with all the fierceness of a war tribe.

Before the season began the sports writers overlooked Bonham, picking them in last place. To their impartial eyes Bonham's chances for the title were very slim. As the season rolled on, however, and the dust cleared after the tension packed finish the Warriors were found mounting the throne, supreme in CLASS 13-AA.

The crushing victory over Honey Grove at the first game set the Warriors in motion. Nocona's blow of defeat was only a thorn in the side and spurred them to down Grand Saline in a driving rain.

Conference play began with bringing in the top score over Mt. Pleasant. In the weeks that followed Bonham topped their other district opponents: Pittsburg, Sulphur Springs, Commerce, and Gilmer one by one. The decisive victory over Mt. Vernon assured the Warriors of the title spot, and they ended the district play with a perfect record by defeating Winnsboro.

The Warriors, for the first time in twenty years, struck the top and emerged DISTRICT 13-AA CHAMPIONS with a 9-1 season record.

Dear Dickie

It sure has been great knowing  
When ever you get your  
Basket ball goal up, you come <sup>you</sup>  
~~out~~ ~~up~~ and get me and I will ~~tear~~  
you up in Basket ball. When are you  
going to come out and go hunting  
so that we can kill those birds  
and put in <sup>our</sup> collection. You remember  
those days in basket ball and  
maybe we will make about 20 points  
in quarter. Well I will be seeing you  
next year and maybe we will  
have more classes together.

Lots of Luck TO A  
Swell hunter. — "Z"—
